**We can't always keep them from having to battle,
but we can certainly stand with them in the fight.**

Childhood should be a time when dreams are big and your world is safe. For hundreds of kids in our own communities, however, this is not the case, and they are forced to fight unimaginable battles every day. Fortunately for these kids, there are people like you who are willing and able to help. And for people like you, there's the Montgomery Bar Foundation.

The Montgomery Bar Foundation has helped give a voice to hundreds of local children through its support for causes like the Montgomery Child Advocacy Project (MCAP), helping kids navigate the adult world of legal and social services so they are never alone in their battle. Including the Bar Foundation in your charitable giving plans and advising others to do so are just a couple of ways that you can turn your passion for justice into purpose, and help organizations like MCAP protect our community's most vulnerable members.

People like you are inspired by justice, and are inspiring justice every day. Isn't it time you got to know your Montgomery Bar Foundation?
