PUBLIC NOTICES **CONDITIONS OF UPSET SALE** **SEPTEMBER 23, 2013**

The Tax Claim Bureau acting as an agent of each taxing municipality on which taxes are unpaid, is selling the taxable interest of the owner. It makes no guaranty or warranty whatsoever as to the existence or condition of the property, accuracy of ownership, size, boundaries, locations, existence of structures or lack thereof, liens, titles, or any other matter whatsoever affecting the property. It has attempted to comply with all statutory rules regarding notice, and retains records of such notices in its office for public inspection.

2.An initial bid must equal the upset price as announced at the sale for each property. If the sales price is \$100.00 or less, payment must be made in United States currency as and when the property is struck down. If the property sells for more than \$100.00, then the first \$100.00 must be paid in U.S. currency, and the balance paid by check on a local bank or other satisfactory payment as and when the property is struck down.

3.The Buyer will be required to pay the costs of recording the deed and the applicable realty transfer taxes of 2% on the total of sales price and any underlying lien which is not divested.

4.All costs and expenses payable by property owner are included in the upset price. To the extent the purchase price is not sufficient to pay unpaid 2013 taxes; the buyer will be responsible to pay such.

5.All sales are subject to confirmation by the Court of Common Pleas of Franklin County, Pennsylvania. Approximately four months time from date of sale is required before a document of transfer is available, as the statute requires a lapse of time for filing exceptions to the sale and another notice to listed owners after the sale. The Tax Claim Bureau will issue a deed, or, in the case of a mobile home, a bill of sale, to the buyer or buyer's nominee, and will record the same, after which it will be mailed to the address given by the Buyer.

6.If an owner should file exception to the sale of a purchased property, it will be the responsibility of the purchaser to defend the validity of the sale, or negotiate with the owner for releasing the purchaser's interest.

7.All sales made under these conditions will be final. No adjustments will be made after the property is struck down. If any problem of possession of the premises arises after purchase, it shall be the responsibility of the purchaser to resolve the same. The sale does not purport to convey personal property which may be on the premises.

8.Any property may be withdrawn from the sale and offered at an adjourned sale, at the option of the Bureau.
